Dear Shri Ramesh Singh,

I am deeply saddened by the passing of your father Shri Harbachan Singh. He was a remarkable man who was a solid pillar of his community. His lifelong contribution to the Indian Overseas Congress will be remembered.

In your father, the diaspora found a vocal advocate in the public sphere. His vision and energy were a guiding force behind many of the initiatives of the organisation. He was not only a leader but an ambassador of the inclusive ethos of the Congress party abroad. Shri Harbachan Singh will be missed by all those fortunate to have known him. His work will continue to inspire our Indian Overseas Congress chapters across the world.

In this difficult time, I extend my condolences and wish you and your family strength.

Sincerely,

Rahul Gandhi
